

Little Fish Films Competition – Privacy consent

Please complete and retain this form for each person whose full name, voice or image appears in the film.

I understand that:

- The school named below is submitting a film to the Little Fish Films Competition (**Competition**) conducted by the Fisheries Research and Development Corporation (**FRDC**).
- The Competition is subject to the Little Fish Films [Terms and Conditions](#).
- The film may include personal information relating to the individual identified below.
- The film will be viewed by the FRDC.
- The film may be published by the film on its website. The school can request that the film is not made publicly available by contacting the FRDC at frdc@frdc.com.au. Unless the school withdraws the film from the Competition, the film will still be made available to the Competition judges through a password-protected judging portal.
- The winning film, as well as the two runners up, will be screened at the World Fisheries Congress held 11-15 October 2020, which may include a live online screening of the event.

I consent to the FRDC using and disclosing the personal information identified below for the purposes set out above.
